

Welcome New EC Team Member!

Martina Achterberg is covering reception at Building 21. Martina lives in Peachtree City and has recently gone back to college to pursue her Masters. She adores her two cats, which were rescues, and her mother owns a horse which she likes to visit every now and then. She is very easy going and flexible so don't be afraid to stop by and talk if you need anything. She's enjoyed working at Eastbrook thus far and enjoys being a part of the community!

Contact Martina at 470-488-0822 or reception@eastbrookcommunity.com

Jill now works out of an office at Building 14. You can reach her at 770-487-5619 or jill@eastbrookcommunity.com

Tenant Spotlight:

Dr. Noah Marchese, owner of Health Choice Center of Peachtree City and has been an Eastbrook Community tenant for over five years.

Dr. Marchese turned to chiropractic care and found lasting relief from chronic migraines and back pain. With these life changing results, he decided to become a chiropractor himself and studied at Life University in Atlanta.

Dr. Marchese’s approach is holistic including nutrition, exercise, ergonomic, lifestyle modifications and, of course, chiropractic care to address the root problem, rather than just covering up the symptoms.

Healthchoice Chiropractic is open 6 days a week, accepts most insurance, and offer flexible payment plans.

“I never let money be a barrier to my patients getting the care they need so they can get back to the life they deserve.”
